

Summary of work experience

Pedro Cesar Pestana Pavan is a Ph.D. Candidate in Business Administration (Finance) at FGV EAESP, where he also earned his Master's in Finance and Controllershship and an Executive MBA. His current research focuses on Financial Economics, building upon prior studies in Institutional Investor Ownership and Corporate Governance, work that has been published in *Emerging Markets Finance and Trade* and presented at the EIBA Conference in Madrid. Pedro has served as a graduate-level teaching assistant and is a specialist in financial databases, holding an LSEG Workspace certification with extensive experience in Bloomberg, Factset, and S&P Capital IQ. He leverages over 15 years of corporate experience in financial planning and market intelligence to implement data-driven solutions and performance management.
